

Dear **CCSSs**,

thank you all for your Personalities of American History. Please, keep studying the **histories**, as there might come a Survio questionnaire about bits of both histories soon.

However, there comes another task for the upcoming week of 6th - 9th April, 2020. I would like you to think of **Easter** and send me a paragraph about the holiday.

Imagine you are writing an informal letter/email to your friend living abroad.

- try to describe the holiday with all its symbols and customs to your friend;
- think about the significance/importance of the holiday;
- express whether you like Easter and why or why not.

I know we should be covering other topics in our CC, but I would like to see you know how to speak about traditions and the holiday we are going to celebrate soon.

Send your assignment to florianova@gymkrom.cz by Tuesday 14th, 2020.

Have a great spring time

Ef
