

Hi, these are the tasks to do the next week.

**Deadline for both of them - 24. 4. 2020**

**TASK 1:** ENGLISH ME exercises – see your group there and do the exercises (and more if you wish)

**TASK 2:** 1) Go to <https://www.oxfordlearnersbookshelf.com/>

2) In section Oxford Readers Collection (now free for everyone studying from Maturita Solutions or English Plus) find the book **Henry VIII and His Six Wives**. This is your task **to read this week**. Audio book included.

Find more information on the internet (there are films, documentaries. Search, recommend). Henry VIII (Tudor dynasty) was one of the most important kings in English history. **Make notes from each chapter**. You are going to use them later while studying British history in your English conversation classes.

**CHECK your email EVERY DAY.** Keep in touch. Feel free to contact me ([kocarova.eva@gmail.com](mailto:kocarova.eva@gmail.com)) any time you need help or feel like talking.

Have a good time and take care!
